COLLEGE

Faith Prayer – Service

Our Faith Program at Santa Maria College provides students with opportunities to:

- Attend Mass weekly and as a College community, celebrate important dates in the Catholic calendar.
- Become aware and then actively make a difference to the lives of those less fortunate than themselves at the global and local level.
- Experience the feeling of connectedness that comes with sharing their time and skills with others.
- Earn a sense of self-worth.
- Recognise and appreciate the privileges they experience in their own lives.
- Develop their own spirituality.
