2024 VET CO-ORDINATOR MORNING

MOUNT PLEASANT COLLEGE

Hello!

Andrew has been an active part of the design industry for the last decade, working on a variety of projects from short term design projects through to major brand and advertising design in studios across Perth, before starting his own design studio, Red Licorice in the summer of 2015.

He currently spends the bulk of his time crafting projects with Red Licorice, developing our college media department as Head of Media & jumping in the classroom to lecture students on the principles of design. Andrew loves seeing students develop their design skills as they prepare for their career in the industry.

MOUNT PLEASANT COLLEGE

Who are we?

As the only RTO in WA solely focused on the Creative Industries, Mount Pleasant College is a vibrant community of creatives sharing our passion for Music, Sound Production, Media, Graphic Design, Film, and Game Design & Animation with learners through Certificate III & IV qualifications.

MOUNT PLEASANT COLLEGE

Our Vision

To be a College of choice where students are valued, positively impacted and equipped for the creative industries and life, while receiving an education that provides a hope & a future.

MOUNT PLEASANT COLLEGE

Our Culture

College of choice

- Doubled student numbers each year from 2020 – 2023
- Frequent positive feedback from parents, schools & students
- Invested in specialist staff who provide education that is only available within this context
- We're expecting to reach class capacity for most streams before Feb 2025

MOUNT PLEASANT COLLEGE

Our Culture

Students are valued, positively impacted and equipped for the creative industries and life

- Chaplaincy program
- Focus on providing a positive environment
- Students equipped with knowledge and feedback from industry-active trainers, in small class environments & provided with opportunities to showcase their work
- Frequent positive feedback from parents, schools & students

MOUNT PLEASANT COLLEGE

Our Culture

Receive an education that provides a hope & a future.

- Students have consistently seen above average acceptance rates from WAAPA, Curtin, Murdoch Uni & other preferred pathways
- In 2022, 100% of students who applied for WAAPA we're offered a position & 100% of students who applied for further study at various institutions for Graphic Design were accepted.

Week 3, Term 2 2025

- Available to all MPC students as part of our on-site program
- Opening up expressions of interest to school groups who may be interested in joining us
- Capacity for ~700 students & teachers

“

I would like to take the opportunity on behalf of my partner and I to thank you and all the wonderful staff at Mount Pleasant College.

Our son has had a terrific year with MPC and made many connections. He absolutely loved the course and as a result will go on to study a Bachelor of Music Production and Composition at SAE next year. We have a very happy young man who is off to pursue his dreams.

”

Parent - Certificate IV in Music

Application Process

1 **Submit an application form online**
